#### ARTICLES OF INCORPORATION

OF

#### THE SHERWIN-WILLIAMS COMPANY

FIRST: The name of this Company is THE SHERWIN-WILLIAMS COMPANY.

SECOND: The place where this Company shall be located and its principal business shall be transacted is the City of Cleveland in the County of Cuyahoga and State of Ohio.

THIRD: The Company is formed for the purpose of developing, producing, manufacturing, buying, selling and generally dealing in products, goods, wares, merchandise and services of any and all kinds and doing all things necessary or incidental thereto.

FOURTH: The number of shares which the Company is authorized to have outstanding is 330,000,000 consisting of 30,000,000 shares of Serial Preferred Stock without par value (hereinafter called "Serial Preferred Stock") and 300,000,000 shares of Common Stock, par value \$1.00 each (hereinafter called "Common Stock").

The shares of such classes shall have the following express terms:

#### DIVISION A

#### EXPRESS TERMS OF THE SERIAL PREFERRED STOCK

Section 1. The Serial Preferred Stock may be issued from time to time in one or more series. All shares of Serial Preferred Stock shall be of equal rank and shall be identical, except in respect of the matters that may be fixed by the Board of Directors as hereinafter provided, and each share of each series shall be identical with all other shares of such series, except as to the date from which dividends are cumulative. Subject to the provisions of Sections 2 to 8, both inclusive, of this Division, which provisions shall apply to all Serial Preferred Stock, the Board of Directors hereby is authorized to cause such shares to be issued in one or more series and with respect to each such series prior to the issuance thereof to fix:

- (a) The designation of the series, which may be by distinguishing number, letter or title.
- (b) The number of shares of the series, which number the Board of Directors may (except where otherwise provided in the creation of the series) increase or decrease (but not below the number of shares thereof then outstanding).
  - (c) The annual dividend rate of the series.
- (d) The dates at which dividends, if declared, shall be payable, and the dates from which dividends shall be cumulative.
  - (e) The redemption rights and price or prices, if any, for shares of the series.
  - (f) The terms and amount of any sinking fund provided for the purchase or redemption of shares of the series.
- (g) The amounts payable on shares of the series in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company.

1

- (h) Whether the shares of the series shall be convertible into Common Stock, and, if so, the conversion price or prices, any adjustments thereof, and all other terms and conditions upon which such conversion may be made.
- (i) Restrictions (in addition to those set forth in Sections 6(b) and 6(c) of this Division) on the issuance of shares of the same series or of any other class or series.

The Board of Directors is authorized to adopt from time to time amendments to the Articles of Incorporation fixing, with respect to each such series, the matters described in clauses (a) to (i), both inclusive, of this Section 1.

Section 2. The holders of Serial Preferred Stock of each series, in preference to the holders of Common Stock and of any other class of shares ranking junior to the Serial Preferred Stock, shall be entitled to receive out of any funds legally available and when and as declared by the Board of Directors dividends in cash at the rate for such series fixed in accordance with the provisions of Section 1 of this Division and no more, payable quarterly on the dates fixed for such series. Such dividends shall be cumulative, in the case of shares of each particular series, from and after the date or dates fixed with respect to such series. No dividends may be paid upon or declared or set apart for any of the Serial Preferred Stock for any quarterly dividend period unless at the same time a like proportionate dividend for the same quarterly dividend period, ratably in proportion to the respective annual dividend rates fixed therefor, shall be paid upon or declared or set apart for all Serial Preferred Stock of all series then issued and outstanding and entitled to receive such dividend.

Section 3. In no event so long as any Serial Preferred Stock shall be outstanding shall any dividends, except a dividend payable in Common Stock or other shares ranking junior to the Serial Preferred Stock, be paid or declared or any distribution be made except as aforesaid on the Common Stock or any other shares ranking junior to the Serial Preferred Stock, nor shall any Common Stock or any other shares ranking junior to the Serial Preferred Stock be purchased, retired or otherwise acquired by the Company (except out of the proceeds of the sale of Common Stock or other shares ranking junior to the Serial Preferred Stock received by the Company subsequent to August 31, 1966):

- (a) Unless all accrued and unpaid dividends on Serial Preferred Stock, including the full dividends for the current quarterly dividend period, shall have been declared and paid or a sum sufficient for payment thereof set apart; and
- (b) Unless there shall be no arrearages with respect to the redemption of Serial Preferred Stock of any series from any sinking fund provided for shares of such series in accordance with the provisions of Section 1 of this Division.

Section 4. (a) Subject to the express terms of each series and to the provisions of Section 6(b)(iii) of this Division A, the Company may from time to time redeem all or any part of the Serial Preferred Stock of any series at the time outstanding (i) at the option of the Board of Directors at the applicable redemption price for such series fixed in accordance with the provisions of Section 1 of this Division, or (ii) in fulfillment of the requirements of any sinking fund provided for shares of such series at the applicable sinking fund redemption price, fixed in accordance with the provisions of Section 1 of this Division, together in each case with accrued and unpaid dividends to the redemption date.

(b) Notice of every such redemption shall be mailed, postage prepaid, to the holders of record of the Serial Preferred Stock to be redeemed at their respective addresses then appearing on the books of the Company, not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for such redemption. At any time before or after notice has been given as above provided, the Company may deposit the aggregate redemption price of the shares of Serial Preferred Stock to be redeemed with any bank or trust company in Cleveland. Ohio, or New York, New York, having capital and surplus of more than Five Million Dollars (\$5,000,000), named in such notice, and direct that such amount be paid to the respective holders of the shares of Serial Preferred Stock so to be redeemed, in amounts equal to the redemption price of all shares of Serial Preferred Stock so to be redeemed, on surrender of the stock certificate or certificates held by such holders. Upon the making of such deposit such holders shall cease to be shareholders with respect to such shares, and after such notice shall have been given and such deposit

shall have been made such holders shall have no interest in or claim against the Company with respect to such shares except only to receive such money from such bank or trust company without interest or the right to exercise, before the redemption date, any unexpired privileges of conversion. In case less than all of the outstanding shares of Serial Preferred Stock are to be redeemed, the Company shall select by lot the shares so to be redeemed in such manner as shall be prescribed by its Board of Directors.

If the holders of shares of Serial Preferred Stock which shall have been called for redemption shall not, within six years after such deposit, claim the amount deposited for the redemption thereof, any such bank or trust company shall, upon demand, pay over to the Company such unclaimed amounts and thereupon such bank or trust company and the Company shall be relieved of all responsibility in respect thereof and to such holders.

(c) Any shares of Serial Preferred Stock which are redeemed by the Company pursuant to the provisions of this Section 4 and any shares of Serial Preferred Stock which are purchased and delivered in satisfaction of any sinking fund requirements provided for shares of such series and any shares of Serial Preferred Stock which are converted in accordance with the express terms thereof shall be cancelled and not reissued. Any shares of Serial Preferred Stock otherwise acquired by the Company shall resume the status of authorized and unissued shares of Serial Preferred Stock without serial designation.

Section 5. (a) The holders of Serial Preferred Stock of any series shall, in case of voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, be entitled to receive in full out of the assets of the Company, including its capital, before any amount shall be paid or distributed among the holders of the Common Stock or any other shares ranking junior to the Serial Preferred Stock the amounts fixed with respect to the shares of such series in accordance with Section 1 of this Division, plus in any event an amount equal to all dividends accrued and unpaid thereon to the date of payment of the amount due pursuant to such liquidation, dissolution or winding up of the affairs of the Company. In case the net assets of the Company legally available therefor are insufficient to permit the payment upon all outstanding shares of Serial Preferred Stock of the full preferential amount to which they are respectively entitled, then such net assets shall be distributed ratably upon outstanding shares of Serial Preferred Stock in proportion to the full preferential amount to which each such share is entitled.

After payment to holders of Serial Preferred Stock of the full preferential amounts as aforesaid, holders of Serial Preferred Stock as such shall have no right or claim to any of the remaining assets of the Company.

(b) The merger or consolidation of the Company into or with any other corporation, or the merger of any other corporation into it, or the sale, lease or conveyance of all or substantially all the property or business of the Company, shall not be deemed to be a dissolution, liquidation or winding up, voluntary or involuntary, for the purposes of this Section 5.

Section 6. (a) The holders of Serial Preferred Stock shall be entitled to one vote for each share of such stock upon all matters presented to the shareholders; and, except as otherwise provided herein or required by law, the holders of Serial Preferred Stock and the holders of Common Stock shall vote together as one class on all matters. No adjustment of the voting rights of the holders of Serial Preferred Stock shall be made in the event of an increase or decrease in the number of shares of Common Stock authorized or issued or in the event of a stock split or combination of the Common Stock or in the event of a stock dividend on any class of stock payable solely in Common Stock, and none of the foregoing actions shall be deemed to affect adversely the voting powers, rights or preferences of Serial Preferred Stock within the meaning and for the purpose of this Division A.

If, and so often as, the Company shall be in default in the payment of dividends in an amount equivalent to six (6) quarterly dividends (whether or not consecutive) on any series of Serial Preferred Stock at the time outstanding, whether or not earned or declared, the holders of Serial Preferred Stock of all series, voting separately as a class and in addition to all other rights to vote for Directors, shall be entitled to elect, as herein provided, two (2) members of the Board of Directors of the Company; provided, however, that the holders of shares of Serial Preferred Stock shall not have or exercise such special class voting rights except at meetings of the shareholders for the election of Directors at which the holders of not less than thirty-five per cent (35%) of the outstanding shares of Serial Preferred Stock of all series then outstanding are present in person or by proxy; and provided further that the special class voting rights provided for herein when the same shall have become vested shall

remain so vested until all accrued and unpaid dividends on the Serial Preferred Stock of all series then outstanding shall have been paid, whereupon the holders of Serial Preferred Stock shall be divested of their special class voting rights in respect of subsequent elections of Directors, subject to the revesting of such special class voting rights in the event hereinabove specified in this paragraph.

In the event of default entitling the holders of Serial Preferred Stock to elect two (2) Directors as above specified, a special meeting of the shareholders for the purpose of electing such Directors shall be called by the Secretary of the Company upon written request of, or may be called by, the holders of record of at least ten per cent (10%) of the shares of Serial Preferred Stock of all series at the time outstanding, and notice thereof shall be given in the same manner as that required for the annual meeting of shareholders; provided, however, that the Company shall not be required to call such special meeting if the annual meeting of shareholders shall be held within ninety (90) days after the date of receipt of the foregoing written request from the holders of Serial Preferred Stock. At any meeting at which the holders of Serial Preferred Stock shall be entitled to elect Directors, the holders of thirty-five per cent (35%) of the then outstanding shares of Serial Preferred Stock of all series, present in person or by proxy, shall be sufficient to constitute a quorum, and the vote of the holders of a majority of such shares so present at any such meeting at which there shall be such a quorum shall be sufficient to elect the members of the Board of Directors which the holders of Serial Preferred Stock are entitled to elect as hereinabove provided.

- (b) The vote or consent of the holders of at least two-thirds of the shares of Serial Preferred Stock at the time outstanding, given in person or by proxy either in writing or at a meeting called for the purpose at which the holders of Serial Preferred Stock shall vote separately as a class, shall be necessary to effect any one or more of the following (but so far as the holders of Serial Preferred Stock are concerned, such action may be effected with such vote or consent):
  - (i) Any amendment, alteration or repeal of any of the provisions of the Articles of Incorporation or of the Regulations of the Company which affects adversely the voting powers, rights or preferences of the holders of Serial Preferred Stock; provided, however, that, for the purpose of this clause (i) only, neither the amendment of the Articles of Incorporation so as to authorize or create, or to increase the authorized or outstanding amount of. Serial Preferred Stock or of any shares of any class ranking on a parity with or junior to the Serial Preferred Stock, nor the amendment of the provisions of the Regulations so as to increase the number of Directors of the Company shall be deemed to affect adversely the voting powers, rights or preferences of the holders of Serial Preferred Stock; and provided further, that if such amendment, alteration or repeal affects adversely the rights or preferences of one or more but not all series of Serial Preferred Stock at the time outstanding, only the vote or consent of the holders of at least two-thirds of the number of the shares at the time outstanding of the series so affected shall be required;
  - (ii) The authorization or creation of, or the increase in the authorized amount of, any shares of any class, or any security convertible into shares of any class, ranking prior to the Serial Preferred Stock; or
  - (iii) The purchase or redemption (for sinking fund purposes or otherwise) of less than all of the Serial Preferred Stock then outstanding except in accordance with a stock purchase offer made to all holders of record of Serial Preferred Stock, unless all dividends upon all Serial Preferred Stock then outstanding for all previous quarterly dividend periods shall have been declared and paid or funds therefore set apart and all accrued sinking fund obligations applicable thereto shall have been complied with.

This Section 6(b) shall not apply to, and the class or series vote specified therein shall not be required for the approval of, any action which is part of or effected in connection with the consolidation of the Company with or its merger into any other corporation, so long as the class vote specified by Section 6(c) of this Division is obtained in any case in which such class vote is required under clause (ii) of said Section 6(c).

(c) The vote or consent of the holders of at least a majority of the shares of Serial Preferred Stock at the time outstanding, given in person or by proxy either in writing or at a meeting called for the purpose at which the holders of Serial Preferred Stock shall vote separately as a class, shall be necessary to effect any one or more of the following (but so far as the holders of Serial Preferred Stock are concerned, such action may be effected with such vote or consent):

- (i) The sale, lease or conveyance by the Company of all or substantially all of its property or business; or
- (ii) The consolidation of the Company with or its merger into any other corporation unless the corporation resulting from such consolidation or merger will have after such consolidation or merger no class of shares either authorized or outstanding ranking prior to or on a parity with the Serial Preferred Stock except the same number of shares ranking prior to or on a parity with the Serial Preferred Stock and having the same rights and preferences as the shares of the Company authorized and outstanding immediately preceding such consolidation or merger, and each holder of Serial Preferred Stock immediately preceding such consolidation or merger shall receive the same number of shares, with the same rights and preferences, of the resulting corporation; or
- (iii) The authorization of any shares ranking on a parity with the Serial Preferred Stock or an increase in the authorized number of shares of Serial Preferred Stock.
- Section 7. If the shares of any series of Serial Preferred Stock shall be convertible into Common Stock, then upon conversion of shares of such series the stated capital of the Common Stock issued upon such conversion shall be the aggregate par value of the shares so issued having par value, or, in the case of shares without par value, shall be an amount equal to the stated capital represented by each share of Common Stock outstanding at the time of such conversion multiplied by the number of shares of Common Stock issued upon such conversion. The stated capital of the Company shall be correspondingly increased or reduced to reflect the difference between the stated capital of the shares of Serial Preferred Stock so converted and the stated capital of the Common Stock issued upon such conversion.
- Section 8. The holders of Serial Preferred Stock shall have no preemptive right to purchase or have offered to them for purchase any shares or other securities of the Company, whether now or hereafter authorized.
  - Section 9. For the purpose of this Division A;

Whenever reference is made to shares "ranking prior to the Serial Preferred Stock" or "on a parity with the Serial Preferred Stock", such reference shall mean and include all shares of the Company in respect of which the rights of the holders thereof as to the payment of dividends or as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company are given preference over, or rank on an equality with (as the case may be) the rights of the holders of Serial Preferred Stock; and whenever reference is made to shares "ranking junior to the Serial Preferred Stock", such reference shall mean and include all shares of the Company in respect of which the rights of the holders thereof as to the payment of dividends and as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company are junior and subordinate to the rights of the holders of Serial Preferred Stock.

#### DIVISION A-1

#### CUMULATIVE REDEEMABLE SERIAL PREFERRED STOCK

- Section 1. There is established hereby a series of Serial Preferred Stock that shall be designated "Cumulative Redeemable Serial Preferred Stock" (hereinafter sometimes called this "Series" or the "Cumulative Redeemable Preferred Stock") and that shall have the terms set forth in this Division A-1.
  - Section 2. The number of shares of this Series shall be 3,000,000.
- Section 3. (a) The holders of record of shares of Cumulative Redeemable Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors in accordance with the terms hereof, out of funds legally available for the purpose, cumulative quarterly dividends payable in cash on the first day of January, April, July and October in each year (each such date being referred to herein as a "Quarterly Dividend Payment Date"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share of Cumulative Redeemable Preferred Stock or fraction of a share of Cumulative

Redeemable Preferred Stock, in an amount per share (rounded to the nearest cent) equal to the lesser of (i) \$750 per share or (ii) subject to the provision for adjustment hereinafter set forth, 100 times the aggregate per share amount of all cash dividends, and 100 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions (other than a dividend payable in shares of Common Stock, or a subdivision of the outstanding Common Stock (by reclassification or otherwise)), declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share of Cumulative Redeemable Preferred Stock or fraction of a share of Cumulative Redeemable Preferred Stock. In the event the Company shall at any time declare or pay any dividend on the Common Stock payable in Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of shares of Cumulative Redeemable Preferred Stock were entitled immediately prior to such event under clause (ii) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(b) Dividends shall begin to accrue and be cumulative on outstanding shares of Cumulative Redeemable Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Cumulative Redeemable Preferred Stock, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Cumulative Redeemable Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. No dividends shall be paid upon or declared and set apart for any Cumulative Redeemable Preferred Stock for any dividend period unless at the same time a dividend for the same dividend period, ratably in proportion to the respective annual dividend rates fixed therefor, shall be paid upon or declared and set apart for all Serial Preferred Stock of all series then outstanding and entitled to receive such dividend. The Board of Directors may fix a record date for the determination of holders of Cumulative Redeemable Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 40 days prior to the date fixed for the payment thereof.

Section 4. Subject to the provisions of Section 6(b)(iii) of Division A and in accordance with Section 4 of Division A, shares of the Cumulative Redeemable Preferred Stock shall be redeemable from time to time at the option of the Board of Directors of the Company, as a whole or in part, at any time at a redemption price per share equal to one hundred times the then applicable Purchase Price as defined in that certain Rights Agreement, dated as of April 23, 1997 between the Company and KeyBank National Association (the "Rights Agreement"), as the same may be from time to time amended in accordance with its terms, which Purchase Price is \$110 as of April 23, 1997, subject to adjustment from time to time as provided in the Rights Agreement. Copies of the Rights Agreement are available from the Company upon request. In case less than all of the outstanding shares of Cumulative Redeemable Preferred Stock are to be redeemed, the Company shall select by lot the shares so to be redeemed in such manner as shall be prescribed by its Board of Directors.

Section 5. (a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company (hereinafter referred to as a "Liquidation"), no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon Liquidation) to the Cumulative Redeemable Preferred Stock, unless, prior thereto, the holders of shares of Cumulative Redeemable Preferred Stock shall have received at least an amount per share equal to one hundred times the then applicable Purchase Price as defined in the Rights Agreement, as the same may be from time to time amended in accordance with its terms (which Purchase Price is \$110 as of April 23, 1997), subject to adjustment from time to time as provided in the Rights Agreement, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not earned or declared, to the date of such payment, provided that the holders of shares of Cumulative Redeemable Preferred Stock shall be entitled to receive at least an aggregate amount per share, subject to the provision for adjustment hereinafter set forth, equal to 100 times the aggregate amount to be distributed per share to holders of Common Stock (the "Cumulative Redeemable Preferred Stock Liquidation Preference").

- (b) In the event, however, that the net assets of the Company are not sufficient to pay in full the amount of the Cumulative Redeemable Preferred Stock Liquidation Preference and the liquidation preferences of all other series of Serial Preferred Stock, if any, which rank on a parity with the Cumulative Redeemable Preferred Stock as to distribution of assets in Liquidation, all shares of this Series and of such other series of Serial Preferred Stock shall share ratably in the distribution of assets (or proceeds thereof) in Liquidation in proportion to the full amounts to which they are respectively entitled.
- (c) In the event the Company shall at any time declare or pay any dividend on the Common Stock payable in Common Stock, or effect a subdivision or combination or consolidation of the outstanding Common Stock (by reclassification or otherwise than by payment of a dividend in Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of Cumulative Redeemable Preferred Stock were entitled immediately prior to such event pursuant to the proviso set forth in paragraph 5(a) above, shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.
- (d) The merger or consolidation of the Company into or with any other corporation, or the merger of any other corporation into it, or the sale, lease or conveyance of all or substantially all the property or business of the Company, shall not be deemed to be a Liquidation for the purposes of this Section 5.

Section 6. The Cumulative Redeemable Preferred Stock shall not be convertible into Common Stock.

#### DIVISION B

#### EXPRESS TERMS OF THE COMMON STOCK

The Common Stock shall be subject to the express terms of the Serial Preferred Stock and any series thereof. Each share of Common Stock shall be equal to every other share of Common Stock. The holders of shares of Common Stock shall be entitled to one vote for each share of such stock upon all matters presented to the shareholders. The holders of shares of Common Stock shall have no preemptive rights to purchase or have offered to them for purchase any shares of Common Stock which at any time shall be required for issuance in fulfillment of the provisions of any series of the Company's Serial Preferred Stock.

FIFTH: No holders of any class of shares of the Company shall have any preemptive right to purchase or have offered to them for purchase any shares or other securities of the Company, whether now or hereafter authorized.

- SIXTH: (A) Notwithstanding any provision of the Ohio Revised Code now or hereafter in force requiring for any purpose the vote, consent, waiver or release of the holders of shares entitling them to exercise two-thirds, or any other proportion, of the voting power of the Company or of any class or classes of shares thereof, such action, unless otherwise expressly required by statute or by the Articles of the Company, may be taken by the vote, consent, waiver or release of the holders of shares entitling them to exercise a majority of the voting power of the Company or of such class or classes.
- (B) The affirmative vote (i) of the holders of shares entitling them to exercise two-thirds of the voting power of the Company, and (ii) of the holders of two-thirds of the shares of Common Stock at the time outstanding, given in person or by proxy at a meeting called for the purpose at which the holders of Common Stock shall vote separately as a class, shall be necessary:
  - (a) to approve (i) the sale, exchange, lease, transfer or other disposition by the Company of all, or substantially all, of its assets or business to a related corporation or an affiliate of a related corporation, or (ii) the consolidation of the Company with or its merger into a related corporation or an affiliate of a related corporation, or (iii) the merger into the Company of a related corporation or an affiliate of a related corporation, or (iv) a combination or majority share acquisition in which the Company is the acquiring corporation and its voting shares are issued or

transferred to a related corporation or an affiliate of a related corporation or to shareholders of a related corporation or an affiliate of a related corporation; or

- (b) to approve any agreement, contract or other arrangement with a related corporation providing for any of the transactions described in subparagraph (a) above; or
- (c) to effect any amendment of the Articles of the Company which changes the provisions of this Paragraph
   (B).

For the purpose of this Paragraph (B), (i) a "related corporation" in respect of a given transaction shall be any corporation which, together with its affiliates and associated persons, owns of record or beneficially, directly or indirectly, more than 5% of the shares of any outstanding class of stock of the Company entitled to vote upon such transaction, as of the record date used to determine the shareholders of the Company entitled to vote upon such transaction; (ii) an "affiliate" of a related corporation shall be any individual, joint venture, trust, partnership or corporation which, directly or indirectly through one or more intermediaries, controlls, or is controlled by, or is under common control with, the related corporation: (iii) an "associated person" of a related corporation shall be any officer or director or any beneficial owner, directly or indirectly, of 10% or more of any class of equity security, of such related corporation or any of its affiliates; (iv) the terms "combination", "majority share acquisition" and "acquiring corporation" shall have the same meaning as that contained in Section 1701.01 of the Ohio General Corporation Law or any similar provision hereafter enacted.

The determination of the Board of Directors of the Company, based on information known to the Board of Directors and made in good faith, shall be conclusive as to whether any corporation is a related corporation as defined in this Paragraph (B).

SEVENTH: The Company may from time to time, pursuant to authorization by the Board of Directors and without action by the shareholders, purchase or otherwise acquire shares of the Company of any class or classes in such manner, upon such terms and in such amounts as the Board of Directors shall determine; subject, however, to such limitation or restriction, if any, as is contained in the express terms of any class of shares of the Company outstanding at the time of the purchase or acquisition in question.

EIGHTH: (A) Each nominee for director shall be elected by the vote of the majority of the votes cast with respect to that nominee's election at any meeting held for the election of directors at which a quorum is present, provided, however, that if the number of nominees for director exceeds the number of directors to be elected, the nominees receiving the greatest number of votes (up to the number of directors to be elected) shall be elected. For purposes of this paragraph, a "majority of the votes cast" means that the number of shares voted "for" a nominee's election exceeds the number of shares voted "against" that nominee's election.

(B) No shareholder of the Company may cumulate his voting power.

NINTH: These Amended and Restated Articles of Incorporation shall supersede and take the place of the heretofore existing Articles of Incorporation of the Company and all amendments thereto.

#### SHAREHOLDERS' MEETINGS

#### Section 1. Annual Meeting

The annual meeting of shareholders for the election of Directors and the consideration of reports to be laid before such meeting shall be held at such time and place as may be designated pursuant to Section 3 of this Article I. Upon due notice, there may also be considered and acted upon at such annual meeting any matter which could properly be considered and acted upon at a special meeting, in which case and for which purpose the annual meeting shall also be considered as, and shall be, a special meeting. When the annual meeting is not held or Directors are not elected thereat, they may be elected at a special meeting called for that purpose.

#### Section 2. Special Meetings

Special meetings of shareholders may be called by the Chairman of the Board or the President or a Vice President, or by the Directors by action of a meeting, or by a majority of the Directors acting without a meeting, or by the person or persons who hold at least fifty percent of all shares outstanding and entitled to be voted on any proposal to be submitted at said meeting.

Upon request in writing delivered either in person or by registered mail to the President or Secretary by any person or persons entitled to call a meeting of shareholders, such officer shall forthwith cause to be given, to the shareholders entitled thereto, notice of a meeting to be held not less than twenty nor more than ninety days after the receipt of such request, as such officer shall fix. If such notice is not given within forty days after the delivery or mailing of such request, the person or persons calling the meeting may fix the time of meeting and give, or cause to be given, notice in the manner hereinafter provided.

#### Section 3. Time and Place of Meetings

Any meeting of shareholders shall be held at such time and place, if any, within or without the State of Ohio as may be designated by the Directors or, in the absence of a designation by the Directors, the Chairman of the Board, if any, the President, the Secretary or any other individual entitled to give notice pursuant to Section 4 of Article I of these Regulations. The Directors may determine that the meeting shall not be held at any physical place, but instead may be held solely by means of communications equipment as authorized by Ohio law. The Directors may postpone and reschedule any previously scheduled annual or special meeting of the shareholders.

#### Section 4. Notice of Meetings

Not more than sixty days nor less than seven days before the date fixed for a meeting of shareholders, whether annual or special, notice of the time, place and purposes of such meeting, and the means, if any, by which shareholders can be present and vote at the meeting through communications equipment, shall be given by or at the direction of the President, a Vice President, the Secretary or an Assistant Secretary. Such notice shall be given in a manner that complies with Ohio law to each shareholder of record entitled to notice of such meeting. If such notice is mailed or sent by overnight delivery, it shall be addressed to the shareholders at their respective addresses as they appear on the records of the Company, and notice shall be deemed to have been given on the day so mailed. If sent by another means of communication authorized by the shareholder, the notice shall be sent to the address furnished by the shareholder for those transmissions, and notice shall be deemed to have been given on the date sent. Notice of adjournment of a meeting need not be given if the time and place to which it is adjourned are fixed and announced at such meeting.

#### Section 5. Quorum

To constitute a quorum at any meeting of shareholders, there shall be present in person, by proxy, or by the use of communications equipment, shareholders of record entitled to exercise not less than fifty percent of the voting power of the Company in respect of any one of the purposes for which the meeting is called.

The holders of a majority of the voting shares present in person or by proxy, whether or not a quorum is present, may adjourn the meeting from time to time.

#### Section 6. Voting

In all cases, except where otherwise by statute or the Articles or the Regulations provided, a majority of the votes cast, whether in person, by proxy or by the use of communications equipment, on any matter properly brought before such meeting will be the act of the shareholders. An abstention shall not count as a vote cast.

A shareholder may revoke any proxy that is not irrevocable by attending the meeting and voting in person, by a later appointment of proxy received by the Company or by giving notice of revocation to the Company through its Secretary in a writing, in a verifiable communication, or in open meeting.

#### Section 7. Action Without a Meeting

Any action which may be authorized or taken at a meeting of the shareholders may be authorized or taken without a meeting in a writing or writings signed by all of the shareholders who would be entitled to notice of a meeting for such purpose, which writing or writings shall be filed with or entered upon the records of the Company. A telegram, cablegram, electronic mail, or an electronic or other transmission capable of authentication that appears to have been sent by a shareholder and that contains an affirmative vote or approval of that shareholder is a signed writing for the purposes of this section, and the date on which it is sent is the date that it is deemed to be signed.

#### Section 8. Order of Business

(a) The Chairman of the Board, or such officer of the Company as is designated by a majority of the total number of directors that the Company would have if there were no vacancies

among the Directors (such number being referred to as the "Whole Board"), will call meetings of shareholders to order and will act as presiding officer thereof. Unless otherwise determined by the Directors prior to the meeting, the presiding officer of the meeting of shareholders will also determine the order of business and have the authority in his or her sole discretion to regulate the conduct of any such meeting, including, without limitation, (i) by imposing restrictions on the persons (other than shareholders of the Company or their duly appointed proxies) who may attend any such shareholders' meeting, (ii) by ascertaining whether any shareholder or his proxy may be excluded from any meeting of shareholders based upon the presiding officer's determination that any such person has unduly disrupted or is likely to disrupt the proceedings of the meeting and (iii) by determining the circumstances in which and time at which any person may make a statement or ask questions at any meeting of shareholders.

- (b) At an annual meeting of the shareholders, only such business will be conducted or considered as is properly brought before the meeting. To be properly brought before an annual meeting, business must be (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the President, a Vice President, the Secretary or an Assistant Secretary in accordance with Section 4 of Article I of these Regulations, (ii) otherwise properly brought before the meeting by the presiding officer or by or at the direction of a majority of the Whole Board or (iii) otherwise properly requested to be brought before the meeting by a shareholder of the Company in accordance with Section 8(c) of Article I of these Regulations.
- (c) For business to be properly requested by a shareholder to be brought before an annual meeting, the shareholder must (i) be a shareholder of the Company of record at the time of the giving of the notice for such annual meeting as provided for in these Regulations, (ii) be entitled to vote at such meeting and (iii) have given timely written notice of the request to the Secretary. To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not fewer than 60 nor more than 90 calendar days prior to the annual meeting; provided, however, in the event that public announcement of the date of the annual meeting is not made at least 75 calendar days prior to the date of the annual meeting and the annual meeting is held on a date more than ten calendar days before or after the first anniversary of the date on which the prior year's annual meeting was held, notice by the shareholder, to be timely, must be so received not later than the close of business on the 10th calendar day following the day on which public announcement is first made of the date of the annual meeting. A shareholder's notice to the Secretary must set forth as to each matter the shareholder proposes to bring before the annual meeting:
- (i) a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting;
- (ii) the name and address, as they appear on the Company's books, of the shareholder proposing such business and of the beneficial owner, if other than the shareholder, on whose behalf the proposal is made;
- (iii) the class and number of shares of stock of the Company that are owned beneficially and of record by the shareholder proposing such business and by the beneficial owner, if other than the shareholder, on whose behalf the proposal is made; and
- (iv) any material interest of the shareholder proposing such business and the beneficial owner, if other than the shareholder, on whose behalf the proposal is made in such business.

Notwithstanding the foregoing provisions of these Regulations, a shareholder must also comply with all applicable requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder with respect to the matters set forth in this section. For purposes of this section, "public announcement" means disclosure in a press release reported by the Dow Jones

News Service, Associated Press, or comparable national news service or in a document publicly filed by the Company with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Securities Exchange Act of 1934, as amended, or publicly filed by the Company with any national securities exchange or quotation service through which the Company's stock is listed or traded, or furnished by the Company to its shareholders. Nothing in this section will be deemed to affect any rights of shareholders to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended.

- (d) At a special meeting of shareholders, only such business may be conducted or considered as is properly brought before the meeting. To be properly brought before a special meeting, business must be (i) specified in the notice of the meeting (or any supplement thereto) given by or at the direction of the President, a Vice President, the Secretary or an Assistant Secretary (or in case of their failure to give any required notice, the other persons entitled to give notice) in accordance with Section 4 of Article I of these Regulations or (ii) otherwise brought before the meeting by the presiding officer or by or at the direction of a majority of the Whole Board.
- (e) The determination of whether any business sought to be brought before any annual or special meeting of the shareholders is properly brought before such meeting in accordance with this section will be made by the presiding officer of such meeting. If the presiding officer determines that any business is not properly brought before such meeting, he or she will so declare to the meeting and any such business will not be conducted or considered.

#### ARTICLE II

#### **DIRECTORS**

#### Section 1. Election, Number and Term of Office

The Directors shall be elected at the annual meeting of shareholders, or if not so elected, at a special meeting of shareholders called for that purpose, and each Director shall hold office until the date fixed by these Regulations for the next succeeding annual meeting of shareholders and until his successor is elected, or until his earlier resignation, removal from office, or death. At any meeting of shareholders at which Directors are to be elected, only persons nominated as candidates shall be eligible for election.

The number of Directors, which shall not be less than three, may be fixed or changed at a meeting of the shareholders called for the purpose of electing Directors at which a quorum is present, by the affirmative vote of the holders of a majority of the shares represented at the meeting and entitled to vote on such proposal. In case the shareholders at any meeting for the election of Directors shall fail to fix the number of Directors to be elected, the number elected shall be deemed to be the number of Directors so fixed.

In addition to the authority of the shareholders to fix or change the number of Directors, the number of Directors so fixed may be increased or decreased by not more than two between shareholders' meetings by the Directors at a meeting or by action without a meeting, and the number of Directors as so changed shall be the number of Directors until further changed in accordance with this section; provided, that no such decrease in the number of Directors shall result in the removal of any incumbent Director or reduction in the term of any incumbent Director. In the event that the Directors increase the number of Directors, the Directors who are then in office may fill any vacancy created thereby.

#### Section 2. Meetings

Regular meetings of the Directors shall be held immediately after the annual meeting of shareholders and at such other times and places as may be fixed by the Directors, and such meetings may be held without further notice.

Special meetings of the Directors may be called by the Chairman of the Board or by the President or by a Vice President or by the Secretary, or by not less than one-third of the Directors. Notice of the time and place of a special meeting shall be served upon or telephoned to each Director at least twenty-four hours, or sent by mail, telegram, cablegram, overnight delivery service, or any other means of communication authorized by the Directors to each Director at least forty-eight hours prior to the time of the meeting.

#### Section 3. Quorum

A majority of the Directors then in office shall constitute a quorum for the transaction of business, but if at any meeting of the Directors there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time without notice other than announcement at the meeting until a quorum shall attend.

#### Section 4. Action Without a Meeting

Any action which may be authorized or taken at a meeting of the Directors may be authorized or taken without a meeting in a writing or writings signed by all the Directors, which writing or writings shall be filed with or entered upon the records of the Company. A telegram, cablegram, electronic mail, or an electronic or other transmission capable of authentication that appears to have been sent by a Director and that contains an affirmative vote or approval of that Director is a signed writing for the purposes of this section, and the date on which it is sent is the date that it is deemed to be signed.

#### Section 5. Committees

The Directors may from time to time create a committee or committees of Directors to act in the intervals between meetings of the Directors and may delegate to such committee or committees any of the authority of the Directors other than that of filling vacancies among the Directors or in any committee of the Directors. No committee shall consist of less than one Director. The Directors may appoint one or more Directors as alternate members of any such committee, who may take the place of any absent member or members of any meeting of such committee.

In particular, the Directors may create and define the powers and duties of an Executive Committee. Except as above provided and except to the extent that its powers are limited by the Directors, the Executive Committee during the intervals between meetings of the Directors shall possess and may exercise, subject to the control and direction of the Directors, all of the powers of the Directors in the management and control of the business of the Company, regardless of whether such powers are specifically conferred by these Regulations. All action taken by the Executive Committee shall be reported to the Directors at their first meeting thereafter.

Unless otherwise ordered by the Directors, a majority of the members of any committee appointed by the Directors pursuant to this section shall constitute a quorum at any meeting thereof, and the act of a majority of the members present at a meeting at which a quorum is present shall be the act of such committee. ### Document 6 - Excerpt from 2017 Sherwin-Williams Annual Report

# Report of Independent Registered Public Accounting Firm on the Consolidated Financial Statements

To the Board of Directors and Shareholders of The Sherwin-Williams Company

#### **Opinion on the Financial Statements**

We have audited the accompanying consolidated balance sheets of The Sherwin-Williams Company (the Company) as of December 31, 2017, 2016 and 2015, and the related consolidated statements of income and comprehensive income, cash flows and shareholders' equity for each of the three years in the period ended December 31, 2017, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the consolidated financial position of the Company as of December 31, 2017, 2016 and 2015, and the consolidated results of its operations and its cash flows for each of the three years in the period ended December 31, 2017, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), The Sherwin-Williams Company's internal control over financial reporting as of December 31, 2017, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 23, 2018 expressed an unqualified opinion thereon.

#### **Basis for Opinion**

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

We have served as the Company's auditor since 1908.

We have audited the accompanying consolidated balance sheets of The Sherwin-Williams Company as of December 31, 2016, 2015 and 2014, and the related consolidated statements of income and comprehensive income, cash flows and shareholders' equity for each of the three years in the period ended December 31, 2016. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). # Report of Independent Registered Public Accounting Firm on the Consolidated Financial Statements

#### The Board of Directors and Shareholders of The Sherwin-Williams Company

We have audited the accompanying consolidated balance sheets of The Sherwin-Williams Company as of December 31, 2014, 2013 and 2012, and the related consolidated statements of income and comprehensive income, cash flows and shareholders' equity for each of the three years in the period ended December 31, 2014. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of The Sherwin-Williams Company at December 31, 2014, 2013 and 2012, and the consolidated results of its operations and its cash flows for each of the three years in the period ended December 31, 2014 in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), The Sherwin-Williams Company's internal control over financial reporting as of December 31, 2014, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 25, 2015 expressed an unqualified opinion thereon.

Shareholders and the Board of Directors The Sherwin-Williams Company

We have audited the accompanying consolidated balance sheets of The Sherwin-Williams Company as of December 31, 2013, 2012 and 2011, and the related statements of consolidated income and comprehensive income, cash flows and shareholders' equity for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of The Sherwin-Williams Company at December 31, 2013, 2012 and 2011, and the consolidated results of its operations and its cash flows for the years then ended, in conformity with U.S. generally accepted accounting principles.
